Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: Upon preparing this Notice of Abandonment, the current examiner discovered two status inquiries in this application, dated June 27, 2006 and September 18, 2006. The examiner regrets that these went unanswered and will endeavor to discover why he was not notified of the receipt of these status inquiries. It is noted however, that immediate access to information regarding the status of this application was available to applicants through the free Public PAIR system provided by the USPTO at the time the status inquiries were made..
